Application Instructions:

1. Application procedure: Apply according to the announcement procedures of the Academic Affairs Office.
2. Application time: According to the announcement of the Academic Affairs Office.
3. After withdrawing from the semester, the total course credits shall not be lower than the minimum required credit for the semester, and the extended students should retain at least one course.
4. Those who have paid the credit fee will not be refunded, and those who have not paid should still make up the payment before they can withdraw from the selection.
5. If each department (department) has special regulations on withdrawal courses, those regulations shall apply.
6. After students withdraw from the midterm selection, the "Semester Grades" column of the withdrawn course on the semester transcript and past transcripts will be marked as "Withdrawal".
